Dorset Community Governance Review
Public consultation
until 23 May 2022

Parish and town councils play a vital role in providing local services and involving local people in Dorset's towns and villages.

This review will help ensure they remain effective and meet the needs of the communities they serve.

This is an opportunity to have your say about Dorset Council's draft recommendations in respect of:

- Changing the boundaries
- Changing the number of parish or town councillors
- Changing your town or parish council's name
- Dividing your council into wards
- Grouping with other town/parish councils
